Souffle salvateur

Encore un joyau éteint dans notre sillage
Encore un chemin perdu pour un mirage

Quand te lèveras-tu, souffle salvateur ?
Quand viendras-tu balayer nos erreurs ?

A tant dériver pour des promesses d'or
Nous enterrons sous nos pieds le plus précieux des trésors

D'où viendras-tu, souffle salvateur ?
De nous, de la Terre, ou bien d'ailleurs ?

Saving breath

Another jewel gone behind our steps
Another path lost for a mirage

When will you rise up, saving breath?
When will you come and sweep away our mistakes?

By drifting so much, for gold promises
We are burying under our feet the most precious treasures

Where will you come from, saving breath?
From us, from the Earth, or from elsewhere?
